FOR 
SCOUTING.
FOR GOOD.
TOGETHER.

We believe that lasting positive change in the world happens when we empower young people to lead positive action in their communities – through Scouting.

Together, we can ensure that we provide the resources to sustain and grow Scouting, this vital global force, so that more young people can develop as resilient active citizens. We will do this by enabling Scouts worldwide with the critical skills, values and knowledge to take meaningful action in their local communities.

"Scouting is a possible solution to so many of the world's challenges. I hope that you are in no doubt about the difference your investment and your ongoing, long-term commitment to World Scouting makes. You are giving young people the skills, confidence and values to change the world for the better. Let's do even more together!"
